Sir,

Sub:- Establishment - Town Planning - Change of designation - Proposed

Ref:- Your letter D.T.P.1867/40 dated 23-7-40.

ENCLOSURES

SPARE COPIES

In this Municipality the post of the Town Planning Overseer was first sanctioned in the year 1935; and ever since then, more than 6 candidates were tried one after another. But none of them worked for any considerable period. On account of the temporary nature of the post, presumably, each wanted this post simply as a stepping stone for other post or service and left after a while. The result is that none of the Town Planning Schemes of the Council has matured till now.

2. Under the above circumstances, my predecessor, in his letter to the Director of Town Planning No. R.C.2640/40/A1 dated 27-4-1940, suggested the candidature of one Sri.S.A.Sreenivasa Rao, a clerk of this office, who possessed the certificate of an Overseer under the Lucknow Engineering College and who was found to be capable of discharging the duties connected with the town planning schames satisfactorily by the Municipal Engineer, for the appointment as Town Planning Overseer. The Director of Town Planning in his letter No.1112/40 dated 10-5-1940

P.T.O.

10-5-1940 approved the proposal of appointing him (S.A.Srinivasa Rao) and directed that he may be deputed to undergo training for a period of one month in the Director of Town Planning's Office.

3. Accordingly, the appointment Committee appointed him as Town Planning Overseer in its resolution No.1 dated 8-6-1940. He was sent-up for training and the Director of Town Planning, in his letter No.1867/40 dated 23-7-1940, has stated that this candidate has undergone training satisfactorily. He has now joined duty as Town Planning Overseer. And I hope that he will be able to discharge his duties in the new sphere quite well.

4. The Government while sanctioning the Establishment connected with Town Planning have in their order No. 1968 ~~3272~~ P.H., dated 11-5-1940 fixed the scale of pay at Rs.50-5/2-70, for Town Planning Overseer. As the designation has been fixed as "OVERSEER" it may be open to objection at a future date that the present incumbent who has undergone successfully town planning training in the Director of Town Planning's Office, does not possess the qualification prescribed for an "OVERSEER" in G.O.No.3270 L & M., dated 13-7-1934 and 3750 L.& M., dated 21-9-1932, I propose that his designation may be changed to that of a "TOWN PLANNING INSPECTOR". The sanction of the Council for the change in designation will be obtained and sent after the next Council meeting is over. In the interest of the future development of Town Planning schemes and in the interest of the present schemes taken up years back and yet to be completed, I request that this proposal may be approved by the Inspector, at least tentatively, subject to the final and general orders on the question under section 70 (3) in respect of all municipalities. under G.O.No.5093 L.A., dated 20-12-1938.

Commissioner's letter to Director of Town Planning, RC.No. 2641/40 dated 25/27-4-40
Director of Town Planning's letter to the Commissioner, DTP No.1112/40 dated 10-5-40 and D.T.P.No. 1867/40 dated 23-7-40.

The appointment of Sri S.A. Srinivasa Rao who possesses the certificate of an Overseer under the Lucknow Engineering College and who was reported by the Municipal Engineer to be capable of discharging the duties connected with town planning schemes satisfactorily, was approved by the Director of Town Planning in his D.T.P.No. 1112/40 dated 10-5-40. The candidate has also undergone his training in town planning in the Town Planning Department satisfactorily.

The authority competent to approve the selection of candidates for the town planning posts in municipalities, is the Director of Town Planning. It is for him to decide from time to time upon the suitability of particular candidates for such posts. There are no rules framed yet by Government regarding the qualifications, etc. of Town Planning Overseers and other town planning staff. The qualifications prescribed for an "Overseer" of the municipal engineering establishment, ~~can~~ may not be said to be applicable to a Town Planning Overseer.

In as much as Sri S.A. Srinivasa Rao possesses the certificate of an Overseer of the Lucknow Engineering College and his appointment as Town Planning Overseer has been also approved by the Director of Town Planning, it does not appear that any objection would be raised at a future date in regard to his appointment. The change in the designation from "Town Planning Overseer" to "Town Planning Inspector" seems therefore to be unnecessary.

Your proposal to appoint Sri S.A. Srinivasa Rao is approved. The candidate may be deputed to this office for a period of one month or at least 3 weeks to undergo training in town planning after the Government sanction the continuance of the post of town planning overseer and for a further period of one year.

The enclosures are herewith returned.

Sub: Establishment - Town Planning - Overseer - appointment of.

The post of town planning overseer was advertised and applications were called for as advised by you and an Upper Subordinate candidate was appointed as town planning overseer on 16th October 1939. This candidate has since resigned to take up an appointment under the District Board and the place is vacant again.

It will be thus seen that ever since this appointment was sanctioned in the year 1935 six candidates were appointed from time to time and all of them left the job for better positions so much so, the progress in town planning work in this municipality is always very much retarded and practically no scheme has matured even though 5 years have lapsed and considerable amounts were spent on establishment and other charges.

I therefore suggest for your consideration the candidature of S.A. Srinivasa Rao who is likely to stick up having 13 years of service in this municipality as clerk and drawing Rs. 43/- per mensem and who knows all the localities of this town, for appointment to this post.

The technical qualifications of this candidate are found to be sufficient for doing town planning work and the Municipal Engineer has found him technically capable and hard working enough to cope with the work.

I wish him to depute him to undergo training in your department and to appoint him as town planning overseer after he undergoes the training to your satisfaction.

I therefore request you to let me know whether I can depute him immediately to undergo training.

The application, together with the certificate of the Civil Engineering College, Lucknow and the testimonials of the candidate is forwarded herewith for your perusal.
